Before proceeding to business the Board wish to note that they have noticed with regret that the Medical Officer and the Representative of the Educational Department have been continuously absent at several past Meetings. The former at no less than 11 past Meetings and the latter 5. It is needless to observe that without their advice the Board cannot arrive at any satisfactory conclusions on subjects requiring special knowledge for their solution.

1 Cash account current for the month of September 1890 was read and passed to be submitted to Government. The mortuary returns, the monthly returns of the Hospital Assistant and of the Srinivas Mandiram Library were read and recorded.
